

UNITED STATES DISTRICT COURT

FOR THE EASTERN DISTRICT OF CALIFORNIA

## Rocklin Unified School District,

Plaintiff,

V.

J.H., by and through his *guardians ad litem*  
Claire Cordell and Jason Henkhaus,

## Defendants.

No. 2:20-cv-01053-KJM-KJN

## ORDER

The court is set to hear oral argument in this administrative appeal on April 16, 2021. In preparation plaintiff, Rocklin Unified School District, submitted a complete copy of the administrative record, ECF No. 23, and an excerpted copy, ECF No. 21. The excerpt includes fifty-nine exhibits, all of which originate from the administrative record. However, the excerpt versions include non-sequential pages from the original record with page numbers unique to the excerpted record. For example, page one of the excerpted record corresponds to page ninety-nine of the administrative record. The original page numbers, those from the administrative record, are not visible to the court on the excerpted pages. Plaintiff relies exclusively on the excerpted pages in their record citations, while the opposition briefing appears to cite to both records.

Upon its own motion, the court orders Rocklin to file an amended excerpted record with the corresponding administrative record page numbers added in a manner that is clearly visible to

1 the court; the new page numbers must be added to each page of the excerpted record. Plaintiff  
2 shall file the amended excerpted record by **noon on Wednesday, April 14, 2021.**

3 SO ORDERED.

4 DATED: April 8, 2021.
